# Lesson 1 – Keeping your passwords safe

We prepare ETR ppt with less text

We have been studying the users on concrete examples...

1. task : Who can lend me the phone?

We try to get their phones.

**They did not lend as their phone!**

We have been studying the users on concrete examples...

Find out what time it is in Ljubljana now on my tablet?

The table is locked!

This phone is locked with a PIN number.

You can lock your phone with the pattern

We created a safe password on a smart board and on phones

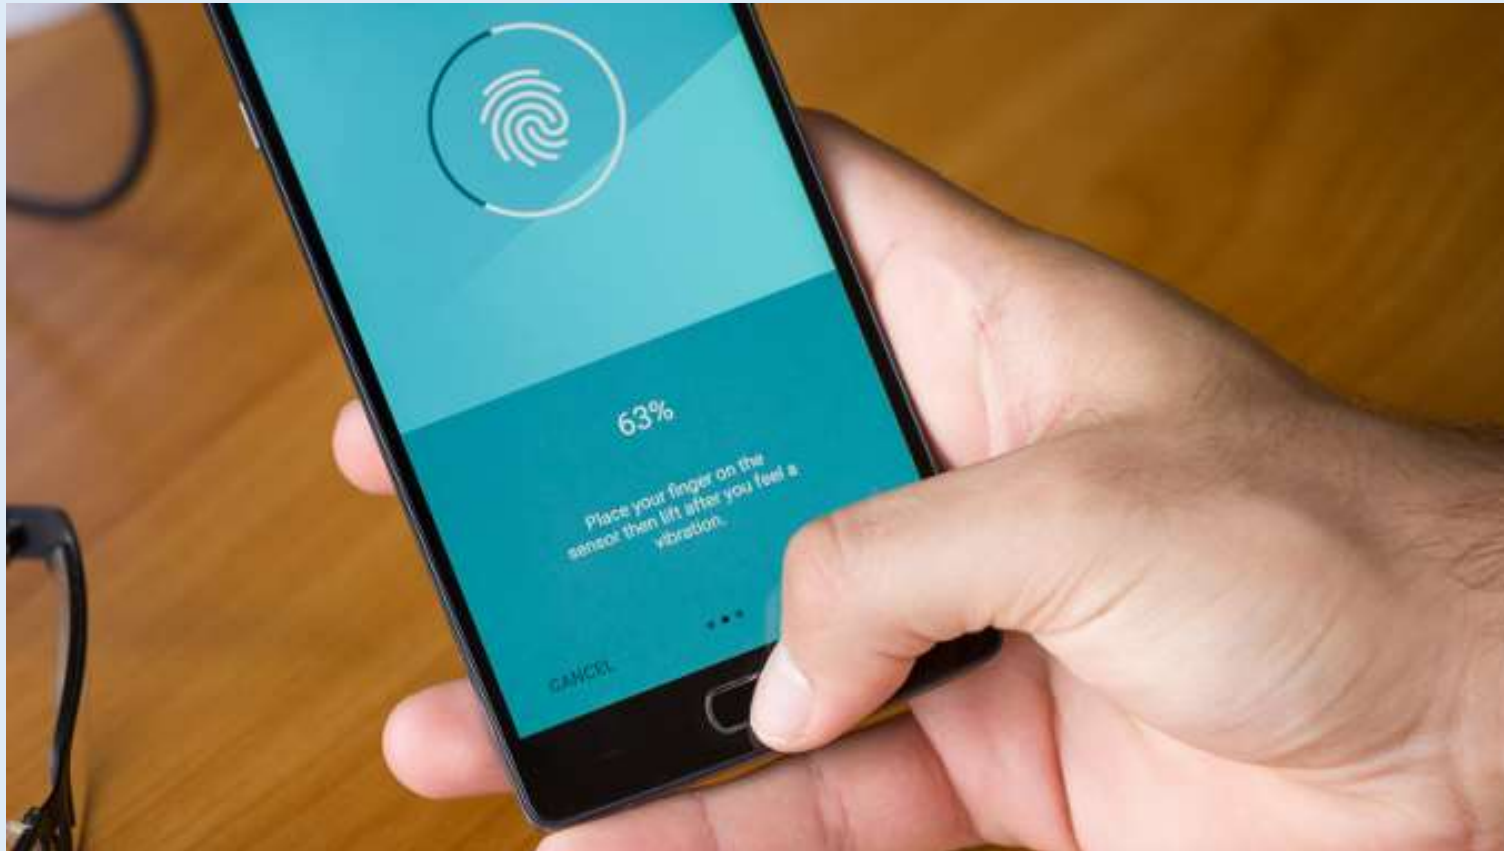

# WE TRY PIN IN DIFFERENT SITUATIONS

We tried to put PIN on cash machine on screen, on personal phones ...

We can use fingerprint.

We can use face recognition.

Participants tried to open Simone's phone, which has face recognition.

We made ppt without text about password

- Tips for keeping your password safe

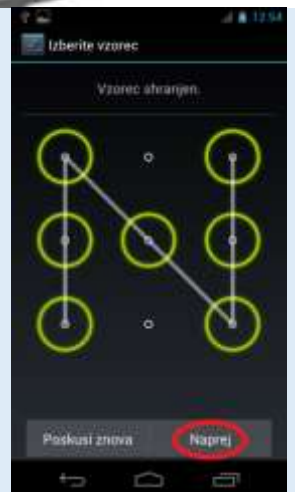

GESLO: 12345678

**Do not tell anyone !**

**Never give out your passwords.**

**When you use your password, make sure no one is watching what you do.**

Watch out on your phone!

# TOMAŽ at restaurant with friends.

Scenarios are very useful and we present them with little text. We changed the names of persons.

TOMAŽ LET HIS PHONE ON THE TABLE.

An then...

LOOK FORWARD IN WHAT IT IS INVITED TO IT'S FB PAGE. "TOMAŽ IS PROVIDING NEW SWIMWEAR ...

Do not leave your phone on the table or exit the app before.

# Lesson 2 – Not giving out personal information

- we have offset a visually supported presentation.
- we included user images and animated animations with emoticon icons.

The dangers of the Internet you pointing out. Blaž and Silva.

# Lesson 3. Remembering almost everything on the internet can be seen by someone else

- We used picture presentations – ppt scenarios in pictures

# Sandra and Marta

Sandra has a new boyfriend.

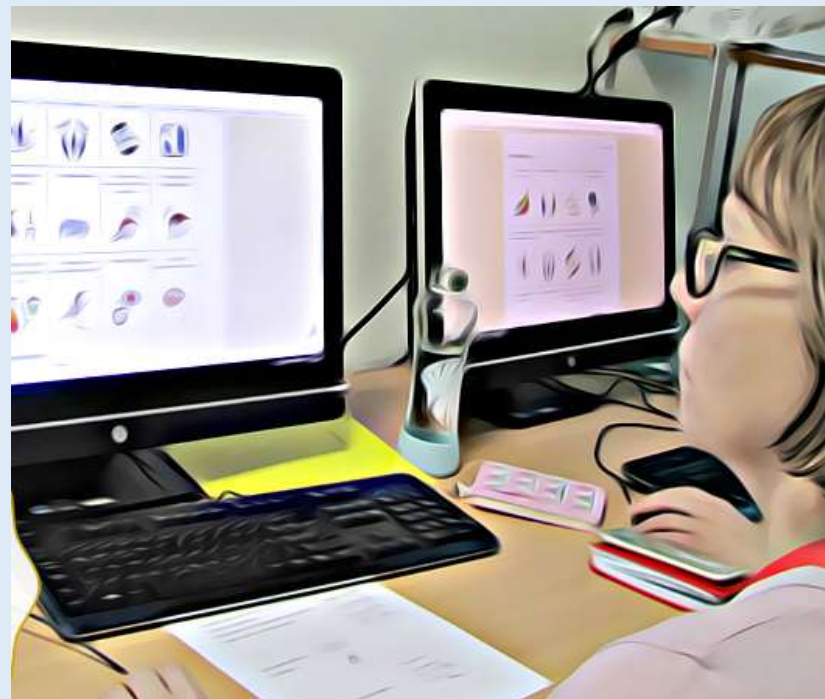

# Lesson 4 and 5 - Things may not be as they seem!

Scenarios helped us to better understand the material.

The persons in scenarios got Slovenian names.

We put participants in similar roles and made picture materials.

**KLIK IN DVIG**

The logo features a red square icon with white floral patterns on the left, followed by the text 'KLIK IN DVIG' in a bold, black, sans-serif font. The word 'IN' is smaller and positioned between 'KLIK' and 'DVIG'. A red crown icon is placed above the word 'IN'. The entire logo is enclosed in a red oval border.

BE CAREFULL ...

SCENARIOUS

Your friend lost his documents and can not get home from holiday. He asks you for money to mail him to him. What now?

Do not open any strange invitations to receive a reward, traveling for 1 euro if you are going to pay some money.

Block the person. Ask for help.

DO NOT FORGET...

Do not forget to walk in nature.

Do not forget on recreation.

Do not forget to hang out with your friends.
